

Training course:

“Regulation, Legislation and Safety of Soil Improvers in Agriculture and Food Processing”

First announcement

Date and time: 10th April 2026 from 9.00 to 17.00

Location: Auditorium Morgagni, University of Florence, Italy

Course Content:

The course is organized in three sessions:

- EU Regulatory Framework
- Soil Health Assessment: Key Indicators and Methodologies
- Sustainable Soil Improvers: Technologies, Risk Assessment, and Biosafety Challenges

Target audience:

Young scientists, practitioners, stakeholders from EU and beyond.

The participant should have an interest in soil improvers derived from agri-food, in their production, safety assessment, and application.

Practical aspects: Fees: Course registration and participation are free, thanks to Horizon Europe programme **Registration:** register by filling out the form: <https://forms.gle/yumBBa3tX6dRRL9G9>, or use the QR code, or email to delisoiltraining@gmail.com by 20th March '26 (maximum 50 participants)

Organising committee: CINSA: Nelson Marmiroli, Marina Caldara, Luca Pagano, Elena Maestri, Caterina Agrimonti, Sara Graziano; ENEA: Annamaria Bevivino, Nicola Colonna, Silvia Tabacchioni, Luciana Di Gregorio, Andrea Visca, Manuela Costanzo, Lorenzo Nolfi, Arianna Bindo, in collaboration with the **University of Florence**, Italy
